

**Meeting of the Village Trustees**  
**May 29, 2007**  
**Library Community Room**

The meeting was called to order at 7:02. Present were Trustees Richard Suitor, James Wilson, Samantha Baraw, Libby Hambleton and Tom McCarney.

The pool-filling sewer rebate policy was briefly discussed due to a recent citizen question. The previously existing policy of one filling rebate per life of a pool had been confirmed by the Board last summer. No further action was taken or is planned.

Tom McCarney moved and Jim Wilson seconded to go into executive session to discuss a personnel matter. The motion passed, 5-0-0 at 7:07.

Without objection, the Board came out of executive session at 8:36. No action was taken.

Without objection, the Board adjourned at 8:36.

Respectfully submitted,

*Richard Suitor*

Acting clerk
